## INTRODUCTION

Every Instrument Company supplies and supports technology in ELECTRONIC and MECHANICAL WEIGHING. We offer a wide range of industrial and commercial weighing systems, scales, software, and spares.

We cater for the needs of the Retail, Manufacturing, Mining, Medical, Educational and Agricultural sectors, as well as general Trade and Commerce.

### Our Vision

To be the leading provider of MECHANICAL and ELECTRONIC WEIGHING systems in Africa.

### Our Mission

To provide quality, reliable and affordable weighing solutions customers.

### Our Core Values

**Integrity** We are ethical, honest and transparent in all our dealings.

**Commitment** We strive to go the extra mile to meet our customer's needs.

**Customer Value** We provide the most value for our customer's dollar.

**Respect & Caring** We treat all people inside and outside of our organisation with dignity and empathy.

**Environment** We promise to ensure that our business processes leave the smallest possible carbon footprint on the precious natural environment.

**Social Responsibility** We strive to give back as much as is sustainable to the communities in our operating environment.
